## Grand Knight Message

Greetings my Brother Knights, families, and friends!

Thank you all for attending our Jan 24 New Orleans Fish Fry! Our kitchen did a tremendous job serving up that delicious seafood, showing their expertise once again! Humungous thanks to everyone that cooked, handled the front, bartended, served, and cleaned to make this event the joy that it was. Your hard work and support is what makes our ability to give back all that it is. We hope to see at our busy Fish Fries during Lent!

I am personally asking ALL of my Brother Knights to attend our Religious Appreciation Dinner (page 3), being held at our Council hall on Feb 25, Fat Tuesday. This dinner kicks off our Lenten season and is always a wonderful way to celebrate and appreciate all of the Priests, Sisters, and Brothers that do so much for us. Be there, and be ready for a feastload of Fish Fries starting the following Friday, February 28.

We lost a great Brother Knight very recently: **SK Vincent Migliazzo PGK**. Please keep him and his family in your prayers as we continue to pray for one another, and stay tuned for a special tribute to a special man. God bless you all!

*- Most Worthy Grand Knight Mervin Hughes , reporting*

## Pro-Life & Decency Report

### What Catholic Couples Should Know

Catholic couples should know:

NaProTECHNOLOGY refers to Natural Procreative Technology and was developed by Dr. Thomas Hilgers, the founder and director of the Pope Paul VI Institute for the Study of Human Reproduction in Omaha, Nebraska. It is an approach to understanding women's reproductive health and regulating fertility by identifying and treating the underlying causes of problems—not simply placing a Band-Aid on them. Instead of treating symptoms, NaProTECHNOLOGY uses natural methods and restorative surgery to treat diseases. It also pairs with the Creighton Model Fertility Care™ System, which actively engages a woman to track and manage her fertility.

NaProTECHNOLOGY treats conditions cooperatively with the menstrual cycle and avoids the use of artificial hormones and devices to regulate fertility or control symptoms.

NaProTECHNOLOGY's restorative approach to infertility costs less than IVF treatments and has proven highly successful in helping couples achieve healthy pregnancies.

NaProTECHNOLOGY is accepted by the Catholic Church as a way of managing fertility and was developed on the foundational principals of Saint Pope Paul the VI's Encyclical Letter, *Humanae Vitae* (Of Human Life).

## Golf Report

Our Westchester Knights golf tournament enjoyed a beautiful January day with a nice turnout of 18 players, enough players to score in two flights. All of the par 3 flag holes, except the lengthy hole #3, were captured.

**Randy Billups** enjoyed rattling the flag from off the green by smacking the ball into the cup on two holes, one of which was his birdie shot on hole #7. **Mike Rachford PGK** celebrated the sinking of his ball on hole #6 for the other birdie of the day.

Our next tournament will be on Ground Hog Day and Super Bowl Sunday, February 2, at the Westchester Golf Course with tee off beginning about 11:15. Our tournament will fit nicely between a super bowl breakfast at Visitation Parish and the super bowl kickoff at 3:30. All Knights and guests are welcome!

## Knights Retreat March 6 through March 8

“In the morning, while it was still very dark, Jesus got up and went out to a deserted place, and there he prayed” (Mark 1:35). Several gospel passages refer to Jesus going to pray in remote places. Those who follow the way of Jesus can do likewise.

This year’s K of C Retreat will once again be held at Mater Dolorosa Retreat Center in Sierra Madre on the weekend of March 6-8. What a great way to start Lent! The retreat, presented by the Passionist Retreat Team begins Friday evening with dinner and concludes around noon on Sunday.

The peaceful grounds of Mater Dolorosa make this a perfect spot for a weekend of spiritual enrichment and growth that you will find nowhere else. The retreat team offers inspirational talks on this year’s theme “God is Doing Something New in Us: Exploring Paths of Deepening Faith”, as well as quiet time for prayer, Mass, Confession, and Stations of the Cross. A description of the theme and other information about the retreat center can be found at the link below.

This retreat weekend is for Knights of Columbus from Southern California and of the 106 available spaces, I was able to secure 25 for our Westchester and Manhattan Beach councils once again. If you will be attending, are considering it, or have questions, send me a note so I can add you to our roster at [mmrotolo@gmail.com](mailto:mmrotolo@gmail.com). You can register at the link below or by phone at 626.355.7188 ext 133. \$50 will hold your spot. The suggested donation for the weekend is \$250 which includes two nights and five awesome meals, but no one is turned away because of financial inability to make the donation. You will simply be given an envelope to place your donation in at the end of the retreat if you are able.

Register Early! Make it a Christmas gift to yourself and your family as you will return from the retreat **TOTALLY REFRESHED!** I guarantee it!

## Why Fish Is Not Considered Meat

What would the 40-day lead up to Easter be without a Knights of Columbus fish fry... or several of them for that matter? One of the precepts of our Church is fasting and abstaining from meat on appointed days. Canon law mandated every Friday be meatless up until 1966, because Jesus suffered and died on the cross that day. Early Christians practiced abstinence on Fridays as a way to unite their sufferings with Christ, but refraining from eating meat is now required on just Ash Wednesday and Lenten Fridays for those over 14-years of age because the season is a time of reflection and sacrifice.

Why, however, is fish not considered meat? The Latin word *carnis* referenced in Canon Law refers to terrestrial animals like mammals and birds, but does not apply to fish. Vegetarians might not agree, but one reason *carnis* was singled out by the Church is because it was considered a delicacy. Think of how many biblical references there are to slaughtering fattened calves for feasts and celebrations. Fish was not a celebratory meal in early cultures, although that's much different today because eating beef and chicken is often a cheaper option and no longer reserved for banquets.

The purpose behind abstaining from meat is to engage in self-denial, and as a way to grow holier. Abstinence is a sober means of practicing austerity by denying one's bodily cravings to honor Jesus' ultimate form of self-denial by giving up his body. Thus, giving up *carnis* on Fridays while feasting on lobster dripped in butter defeats the point of abstinence. Animal byproducts are fine to consume and there are countless options for Lenten meals including: pancakes with butter, waffles, lentil soup and rolls, fried eggs, cheese and veggie pizza, pasta, macaroni and cheese, and grilled cheese sandwiches. It's assumed that John the Baptist's austere diet of locusts and wild honey is okay, as is the occasional Impossible Burger. Eating Alaskan King Crab is really no sacrifice, although the same might be said of Council 3744's mouthwatering fish dinners!

## Why Fish Is Not Considered Meat (continued)

It all comes down to the Church's intention to encourage the faithful to offer sacrifices to God that unite us in Christ's suffering on the Holy Cross. Abstaining from meat during Lent is a very basic penance. So, in addition to forgoing meat you can give up some other pleasures like sweets, television, or video games. Fish, however, remains on the table, and is best enjoyed in the company of others reflecting on the true meaning of Lent while at your local Knights of Columbus Hall during Fish Fry Friday nights.

## Rancho San Antonio 2020 Tickets Coming Soon!

It is that time of the year again for Super Bowl Sunday and the Council's kickoff for its annual campaign to support Rancho San Antonio Boys Home. You should receive your raffle tickets in the mail in the first or second week of February.

Last year we raised the amazing amount of \$8,500, in large part due to our sales at the parishes. Our goal is to match this amount in 2020. This goal will be difficult to achieve. However, if everyone pitches in, we will make it. We need everyone to purchase/sell their raffle tickets and help at their parish Mass sales.

If you have not already done so please check out the Rancho video posted on the council web. Simply click on the Charity heading and then on Rancho San Antonio. It expresses far beyond my words on why I believe we need to support Rancho. A final note. Last year we sold a winning ticket to a St Jerome's parishioner. It was not the grand prize but we did have a \$100 winner. Maybe 2020 is the year we will have a grand prize winner!

Thank you for your outstanding support of this great cause.
