### Grand Knight's Message

My Brother Knights, Families, and Friends,

I continue to hope and pray that you are all staying safe and healthy. Remember to ask God for healing and protection during this challenging time, for He is with us. We may soon be able to be together for Mass, thank God, but we will still have to wait a bit longer for Council events. If anyone you know needs assistance during this trying period, please contact your Council #3744 members; we are here for all of you. Information may be found in this bulletin on our Contacts page (p 14).

### Fr. Michael J. McGivney to be Beatified

Pope Francis approved a miracle attributed to the intercession of Knights of Columbus founder Fr. Michael J. McGivney during a meeting with the Congregation for the Causes of Saints on May 26th. It is the second miracle attributed to the “Venerable” priest, who will become “Blessed” upon his beatification at a later date. The miracle involved an unborn child in the United States healed in utero of a life threatening-condition in 2015 after his family prayed to Fr. McGivney. Should a third miracle be approved in the future, the Connecticut-born Knights’ founder will be elevated to sainthood, which has long been the cause of the Father Michael J. McGivney Guild. Fr. McGivney was declared a Venerable Servant of God by Pope Benedict XVI in 2008. Keep Fr. Michael J. McGivney in your prayers!

## For Some - There's No Going Back

After months of isolation and social distancing brought on by the COVID-19 crisis, people are slowly readying to revisit old routines. They'll again go to their workplaces, spend hours away from family, and get back to the 9 to 5 grind. For many "Coronavirus families," however, they're dreading return to life as they knew it.

A study by the University of Sydney in Australia predicts the return to "normal" will be challenging for people who've grown fond of life in the slow lane. They've become accustom to working from home and being with family most of the day. It's especially true for those who spend a lot of their time commuting. In the beginning, working at home with family around was disorienting, but now it's become the "new normal" and people like it: a lot.

Kids and parents look back on life before the pandemic and view it as overly frantic: hopping from school, to practice, to homework, off to bed, awaken, and out the door again. Families are now calmer and dread returning to frenzy. Lost Internet connection is the #1 fear of today's workers from home and for many, they've already come to the conclusion that there will be no going back to the hustle and bustle of the past.

"I normally go through a tank of fuel a week, running around for work, dropping off kids," said one Australian mom. "My daughter has speech therapy plus swimming lessons and dancing...we've stopped that, I've never seen her so calm, so relaxed." Relaxed in knowing there's no rush, while having grown closer as family, and according to several polls, to God as well. We're not ready to go back to what was once called normal, and perhaps never will. As the Australian mom put it: "I think it's been good for us, to reimagine how life could be."

- Thanks to *The Australian* of 5/17/20, Brother **Mike Dorn**, reporting

## Raze the Ceiling!

Considering we are unable to have our usual gatherings and rentals at this time, the Holding Co has begun remodeling the Hall's ceiling. A BIG thank you to the Brothers that came down for demo day: **Tom Hughes, Mike Rachford PGK, Chip Mallek, Jonathan Ricks, Mike Dorn, Abel Hernandez, John Skidmore, Ken Lockwood, Brian Lockwood, and Ed Stokx PGK.** Tiles were stripped, curtains removed for cleaning, and much more! Take a look at our website to see photos of the occasion as well as to learn about how you can be a part of the action and make a contribution to this grand effort!

The Holding Co would like to also give a special thanks to Environmental Contractors Transportation, Inc. (ECTI) President John Minutoli for their generous donation of a 40 yard construction dumpster for the disposal of our existing ceiling and debris. John also included in this gift the cost of transportation and disposal. What a help!

The entire Council looks forward to sharing the new look with everyone as soon as we are able to meet again. Stay tuned for updates and news on this and so much more!

## Fraternal Insurance Agent Report

What a month this has been! I pray that all of you are safe and well and that you remain so. Let's pray for those who have lost their lives, especially those heroes, those health care workers that made the ultimate sacrifice to help save others. A short essay has made its way around the internet over the past month. It spoke to me and I would like to refer to it and the comparison of these last weeks.

The very first Easter was not in a crowded worship space with singing and praising. On the very first Easter the disciples were locked in their house. It was dangerous for them to come out. They were afraid...If they left their homes their lives and the lives of their loved ones might be at risk. Alone in their homes they dared to believe that hope was possible, that God's love was the most powerful. Eventually, they were able to leave their homes, when the fear and danger had subsided. They went around celebrating and spreading the good news that Jesus was risen and love was the most powerful force on the earth.

This year, we might get to experience a taste of what that first Easter was like, still in our homes daring to believe that hope is on the horizon. Then, after a while, when it is safe for all people, when it is the most loving choice, we will come out, gathering together, singing and shouting the good news that God brings life even out of death, that love always has the final say! This year we might get the closest taste we have had yet to what that first Easter was like.

Although the author is unknown, it's a sobering thought to remember that the disciples were worried, scared, hiding alone..."sheltering in place." Perhaps being with our loved ones for this extended period of time has opened your eyes a bit. I know it has opened mine. What's really important in my life? What are my priorities? What are my opportunities to serve...to love? As we pray for a return to our normal lives let's pledge to not let the lessons of these past weeks be forgotten when we return to the hustle and bustle of "normalcy." Vivat Jesus!

## RSVP Recipient

One of the important activities of Council 3744 is financially supporting men discerning their vocation to the priesthood at the Archdiocese's Queen of Angels Center of Priestly Formation (also known as the minor seminary). Although the Archdiocese pays for all the expenses at St Johns Seminary (also known as the major seminary), candidates at the Center are responsible for their educational expenses.

The man chosen, at the recommendation of the Center's director, is Juan Pablo Chavez. He has been given a stipend of \$500 to help support his studies. Juan is from East L.A., San Francisco Parish. He wants to be a priest to unite Gods children in the Body of Christ, care for those who are in need, and to share the Love and Mercy that God shares with us. Please keep him in your prayers as he strives to discern his vocation. For more details on Juan, please see our web site for his biographical outline.

## Scholarship Program 2020

The 2020 Scholarship Breakfast is unfortunately not happening this year, but the Scholarships still are! Thank you Chairman **Carl Pentis and team of judges** for your outstanding efforts in making this happen under these incredible circumstances. Thank you, also to all of the Knights, families, and friends of Council #3744 for your support throughout the year to raise funds for our deserving students! Even against these surprise difficulties we are humbled by the amazing grace of God in action, seen through all of you. Announcements will be made during the June and the winners presented in the July 2020 Bulletin. God bless you all!

## Westchester Knights of Columbus Golf

The Westchester Golf Course is now open, but a number of rules for play on the course and the social separation requirements do not allow playing our tournament at this time. In the interest of a number of our players, we are trying to make an arrangement with the course, to use our usual first Sunday 11:00 tee time, to simply enjoy a nice Westchester afternoon hitting golf balls and working on our golf skills, no tournament. We will inform everyone by email and telephone. Hope we can see you there.
