## Grand Knight's Message

Greetings Brothers, Families and Friends of Council #3744!

This year is moving like a rocket ship! I hope you are all staying healthy and safe as we are learning to live again. A ginormous thank you to everyone that attended our first Fish Fry of the year on January 21st. Our teams and crews are always good for delivering a delicious meal; if you'd like to join in on the fun then let us know!

If you were unable to attend you can check out photos on page 13 of this bulletin (and our website). You can also make sure you don't miss the next dinners: come to the Hall on Fridays February 4th and 18th, have some feasty fish fry food and play some fun for the family BINGO!

Stay safe, stay healthy, and stay in sync with God's time. Vivat Jesus!

*- Grand Knight Brian Lockwood, reporting*

## Remembering the True Martin Luther King Jr.

We recently celebrated the life of Dr. Martin Luther King Jr. with a national holiday. It was first observed on January 20, 1986, and has since become an annual event recognizing the importance of equality and civil rights. The special day honors Dr. King's efforts to eliminate bigotry and erase lines that divide our society. Yet along the way, since his death at the hands of an assassin on April 4, 1968, the most important element of King's being has been brushed aside by many for reasons that would certainly alarm him.

Dr. King was first and foremost a man of God, a Reverend and minister of the Holy Bible. The First Amendment to the United States Constitution begins with the words: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof." Unfortunately, too many people misinterpret the phrase to mean a prohibition on anything religious, whether sight or sound, in our secular society. Sadly and ironically many of those who shout "separation of church and state" employ a double-edged sword of rewriting history to paint religion in a shameful light, while "prohibiting the free exercise thereof" as remedies to ensure compliance.

The crusade to separate Dr. King and the civil rights movement from their religious origins falsely interprets history. It grossly misunderstands the man who first and foremost was the Reverend Dr. Martin Luther King Jr. His legacy is not one of leading a secular social justice movement devoid of religious inspiration. That Godless drive, which often invokes his name while embracing the tenets of Marxism, too often turns a blind eye to vandalism of houses of worship. It is indifferent to, or outright supports the toppling of monuments dedicated to St. Father Junípero Serra, Christopher Columbus, and even the Blessed Virgin Mary and Jesus Christ her son. That would be abhorrent to the towering figure of religiosity who championed rights for us all during the 1960s, while giving his life for what he believed in the process.

Many have tried to eliminate Columbus Day as a national holiday, or replace it with Indigenous People's Day in an attempt to rewrite history and promote their own political agendas. Others claim they should be combined to recognize divergent points of view. How about then we combine Dr. King's yearly holiday with Religious Freedom Day? It is a right guaranteed by our Constitution, and certainly needed in an era like now where intolerance towards all things religion is growing at an alarming rate. What would Dr. King think of the idea? It's hard to imagine the Baptist minister would have any problem sharing his day with one that supports respect for the Deity he spent a lifetime praising. For those who object on anti-religious or secular grounds, they fail to recognize the real Martin Luther King Jr. and what he truly represented.

### Knights Around Westchester

Did you happen to notice the Christmas lights and decorations this year in Westchester, especially those entered in the Westchester Mental Health Guild's contest? Some were very good including the display at Brother **Paul Condran**'s home which won the 'Most Whimsical Award'. Congratulations Paul on a beautiful display! Check it out in this great photo taken by **Pam Engler**.

### Golf With The Wind

PGK **Mike Rachford** is seen gracefully making his allowable golf ball drop away from one of the toppled trees on the course.

## Golf Report

Our Westchester Knights of Columbus golfers seemed to be well warmed up for the New Year by playing some nice golf at the Westchester Golf Course on Sunday January 9th. Our 14 players seemed to play nicely around the course construction and tree removal projects underway for the January course improvements. The 75 score by **Jonathan Phelps** and the long drive by **Alonzo Billips** were among the lowest low gross score and longest long drive seen for our club in a while. However, even with some nice putts for the day the birdies escaped everyone with none scored.

Our next council golf tournament at the Westchester Golf Course will be back to the first Sunday of the month, February 6, 2022. Our first Tee Time will be at the usual 11:00 and we humbly request that everyone be there at least 15 minutes before their tee times. All of our KC members and guests are invited. Hope to see you there.
